

REMARKS

This application has been carefully considered in light of the Notice of Allowance mailed July 12, 2005. It is noted that an error appears in the amendment to the specification filed March 25, 2005 in response to the office action under ex Parte Quayle issued December 16, 2004. As a result of such error, an amendment is presented herewith to the Specification to correctly identify the subheading.

It is requested that the Examiner enter this amendment after allowance to correct the error. No new matter is being added.

Should the Examiner have any questions with respect to this matter or the amendment submitted herewith, it would be appreciated if the Examiner would contact the undersigned Attorney-of-record at the telephone number shown below for further expediting the prosecution of this application.

Respectfully submitted,

DOWELL & DOWELL, P.C.
